METHODOLOGY NOTE

ComRes interviewed 1,000 GB adults by telephone between 19th and 22nd February 2016. Data were weighted to be demographically representative of all GB adults. Data were also weighted by past vote recall. Voting intention figures are calculated using the ComRes Voter Turnout Model. ComRes is a member of the British Polling Council and abides by its rules.

To commission a voting intention poll or a public opinion survey please contact Katharine Peacock: katharine.peacock@comres.co.uk

To register for Pollwatch, a weekly newsletter update on the polls, please email: pollwatch@comres.co.uk

Q1. Thinking back to the General Election earlier this year, which party, if any, did you vote for? Was it Conservative, Labour, Liberal Democrat, UKIP, SNP or some other party, or did you not vote?	. 1
Q2. If there were a General Election tomorrow, how likely would you be to vote on a scale from 1 to 10, where 1 means you are certain NOT to vote and 10 means you are absolutely CERTAIN to vote?	3
Q3. If there were a General Election tomorrow to elect MPs to Westminster, would you vote Conservative, Labour, Liberal Democrat, UKIP, SNP, Plaid Cymru or for some other party? Base: All likely to vote	. 5
Q4. If it were a legal requirement for you to vote, do you think you would probably vote Conservative, Labour, Liberal Democrat, UKIP, SNP, Plaid Cymru or for some other party?	. 7
Q5. Generally speaking, do you think of yourself as Conservative, Labour, Liberal Democrat, UKIP, SNP, Plaid Cymru or another party?	9
Q3/Q4/Q5 Voting intention (Turnout weighted)	11
Q6. If a referendum were held tomorrow on the UK's membership of the European Union (EU), how would you vote on the following question? "Should the UK remain a member of the European Union, or leave the European Union?"	13
Q7. How passionate, if at all, would you say you are about the issue of Britain's membership of the European Union?	15
Q8. As you may know, David Cameron is currently trying to reach an agreement with the European Union about Britain's position in the EU. Do you think that with this agreement, David Cameron will succeed or fail in improving Britain's membership of the European Union?	. 17
Q8. As you may know, David Cameron has reached an agreement with the European Union about Britain's position in the EU. With this agreement, do you think David Cameron has succeeded or failed in improving Britain's membership of the European Union?	19
Q8. FRIDAY: As you may know, David Cameron is currently trying to reach an agreement with the European Union about Britain's position in the EU. Do you think that with this agreement, David Cameron will succeed or fail in improving Britain's membership of the European Union? SATURDAY/SUNDAY: As you may know, David Cameron has reached an agreement with the European Union about Britain's position in the EU. With this agreement, do you think David Cameron has succeeded or failed in improving Britain's membership of the European Union? Base: All respondents	
Q9_SUM. Do you think each of the following would be better if the UK left the European Union or if the UK remained in the European Union, or would it make no difference? SUMMARY TABLE	23
Q9_1. Do you think each of the following would be better if the UK left the European Union or if the UK remained in the European Union, or would it make no difference? The British economy	24
Q9_2. Do you think each of the following would be better if the UK left the European Union or if the UK remained in the European Union, or would it make no difference? The strength of British democracy	26
Q9_3. Do you think each of the following would be better if the UK left the European Union or if the UK remained in the European Union, or would it make no difference? Britain's national security	28
Q9_4. Do you think each of the following would be better if the UK left the European Union or if the UK remained in the European Union, or would it make no difference? Levels of immigration into Britain	30
Q10. Net migration between to the UK from the EU is 180,000 per year. Do you think this level of net migration between the UK and EU is too high, too low or about right?	. 32
Q11. And based on David Cameron's deal to renegotiate Britain's membership of the EU, do you think net migration to the UK from EU countries will increase, decrease or not change?	34
Q12. Should MPs decide whether to campaign in the referendum for Britain to remain or leave the EU based on Base: All respondents	36
Q13. During David Cameron's renegotiation of Britain's membership of the European Union, his government ministers were prevented from speaking openly about their views of the EU. Do you think it is right or wrong that government ministers were unable to speak out about their views on the EU until after the renegotiation was complete? Base: All respondents	. 38
Q6. If a referendum were held tomorrow on the UK's membership of the European Union (EU), how would you vote on the following question? "Should the UK remain a member of the European Union, or leave the European Union?"	40
Q7. How passionate, if at all, would you say you are about the issue of Britain's membership of the European Union? Base: All likely to vote and expressing a voting intention (Turnout weighted)	42
Q8. As you may know, David Cameron is currently trying to reach an agreement with the European Union about Britain's position in the EU. Do you think that with this agreement, David Cameron will succeed or fail in improving Britain's membership of the European Union?	. 44
